## Township of North Kawartha Website: Features and Helpful Hints

There is always lots to see and do in North Kawartha, and the Township website is filled with virtually everything you need to know about being in North Kawartha. Here are a few suggestions to help you quickly and easily navigate to the information you seek.

The Search Function is accessible at the top right of any page, but the additional features outlined here are accessed on the Township Website Homepage: [www.northkawartha.ca](http://www.northkawartha.ca). You can get back to the homepage at any time, by clicking on the Township of North Kawartha “deer image”, located at the top left of each page. Some pages such as [Garbage and Recycling](#) or [Recreation Programs](#) will have icons to show major topics within the page, and act as a table of contents.

### **Our Community, Our Services, Our Council, and Business Development categories**

Place your cursor over any of these category titles at the top of each page, to view the drop-down menus, which will show what is available in each category. On a mobile device, click on the 3 small vertical lines at the top right-hand corner, to open the categories.

### **Community Calendar**

The Community Calendar shows events that are currently taking place, and if you click on the Calendar (on a mobile device) or “View All Events” on a computer, it will list chronologically, everything that appears on the Calendar for the following month. Just click on the title of the event you’re interested in and it will open up, showing you a map of where the event is located, a direct link to the appropriate web page, contact information (email, phone numbers), upcoming dates, posters (if applicable), and links to the Township [Facebook](#) page, [Instagram](#) page, and [YouTube](#) channel.

### **Bulletin Board Page**

This page gathers together in one place, posters that are currently on our physical Municipal bulletin boards. If you see a poster of interest on a bulletin board, you can use the QR code to take you directly to the [Bulletin Board](#) page on the Township’s website. On the website, the [Bulletin Board](#) page is located under the “Our Community” category. Once there, you can view or download the posters at your leisure, and there is a link to the relevant web page for more information. Please note that when viewed on this page, links within the posters are often active.

### **General Interest Pages**

There are also some “shortcuts” designed to quickly and easily get you to comprehensive information on the Township website. Specifically, you can scroll down to the Parks and Recreation write-up on the front page of the website, and by clicking on [Parks and Recreation Department Homepage](#) you can quickly access many recreation-related topics. For a more complete overview you can click on the [Area Attractions](#) button beneath the Parks and Recreation write-up. The [Area Attractions](#) page has links to several other pages that are among our most popular, general interest pages. Specifically, you will find lots of additional information and listings on these inter-linked pages: [Community Calendar](#), [Community Centre Events and Activities - Recurring](#), [Community Groups](#), [Recreation Programs](#), [Special Events](#), and in the [North Kawartha Directory](#).

### **Subscribe To the Website**

Please consider subscribing to the website to receive Township [news](#), alerts, [notices](#), [events](#), and [newsletters](#) directly to your email. Scroll to the bottom of the home page and click on the [Subscribe](#) button. You can choose the areas that interest you. **If you subscribe to all the items in the [Events Calendar](#), on Friday at noon, you will receive an email, chronologically listing everything that appears on the [Community Calendar for the following week](#).** The email contains active links to each calendar entry, with all the features described above in Community Calendar. You may unsubscribe or edit your preferences at any time by following the link on your email subscription page.

Enjoy your visit!
